

Our Program

Harborcreek First Presbyterian Church Preschool and Pre-Kindergarten Program is quite unique! Our students (ages three, four and five—who handle their own bathroom needs) all attend school at the same time but are assigned to age-appropriate homerooms.

Each homeroom group changes class every half hour throughout the session (similar to a high school -- but, in a preschool setting). The time goes by very quickly, and the children have the opportunity to learn from a number of well-qualified, experienced adults.

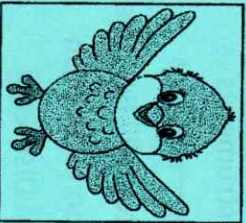

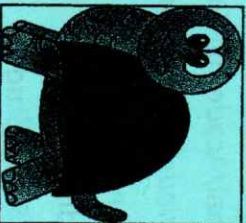

Each instructor deals with her own area of expertise: 1) small motor skills (Art Room); 2) large motor skills, manners & intro. to Spanish (Large Motor Room); 3) language arts, phonics, pre-reading skills, Kdg. readiness & math skills (Instructional Room); and 4) music, science, social studies & library (Curriculum Room).

OUR PURPOSE

Our goal is to provide your child with a unique program of various age-appropriate experiences, where he/she will have the opportunity to develop socially, emotionally, intellectually, physically, and creatively – all at his/her own pace. We offer a warm and caring structured environment. We limit our class size to approx. 8-10 students per homeroom in order to best meet your child's needs.

Our Preschool (housed in a separate building behind the church – directly across from the Kwik-Fill gas station on Buffalo Road) has proudly served this community for over 40+ years!
